PRESS RELEASE.....

For immediate release

NITA becomes member of the BAC

Lachenaie Qc, Canada., April 20th 2007 // Nita Equipment inc. a leading manufacturer and marketer of labeling machines for primary and secondary packaging is officially the newest member of the Baking association of Canada. This for us is a valuable way to let all the Canadian bakers that we can lend a hand with their labelling needs. Moreover we have dedicated labelling top and bottom labelling machines that are engineered and built for the baking industry” expresses Claudio Napoleoni, Marketing Director. Partnerships with Cascades Inopak, Orientech, Industrial Marking Systems inc, and more allows Nita to be surrounded with partners who know what it takes to offer an outstanding service and a vast array of solutions.

As a first line of activity where Nita will be implicated with the BAC, Nita will show its support to the association by participating in the congress 2007show in Montreal next May. In doing so, Nita will be exhibiting its clamshell labeler and the shell shock clamshell labeler which have been optimized for the Baking industry’s needs. To find out more about these and other Nita labeling machines, visit <http://www.nita.ca/labeling/eng/products.html>

To find out more about labels and bar coding, visit our partners at www.imsinc.ca and
